LUXURY IS NOT
ABOUT THE FLAUNTING,
IT'S ABOUT
THE LIFESTYLE...

A LIFE OF EASE, A WORLD OF PEACE...

RAMA group takes further the concept of suave class of urbane living.

An amalgamation of culture and architecture, Rama World truly reflects a conceptualisation of a modern city. The layout adapts two thing; firstly the street scape is with wide and narrow openings, secondly the street square is designed with public & semi public spaces. The variation in street pattern creates an element of surprise in public & semi public places. These conscious design adaptations make this 150 acres integrated township a unique development.

Your home at Rama World comes with well planned infrastructure laid in acres and acres of greenery.
